## PROFILE

I'm a Web3 enthusiast, Defi expert and lover of Fintech with over 3years in cryptocurrency and web3 space , I've worked and managed web3 communities which has made me gain lots of experience handling web3 community, in addition to community management experience, I also have a strong understanding of blockchain technology and decentralized finance. I am confident that I can use my skills and knowledge to build a thriving community for your project, one that is passionate about your vision and mission.
